Tsukamoto Tenma, on November 30 shes 17 years old, even now

Everyone!!

Thank you so much!!

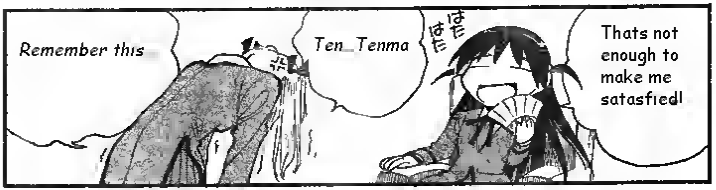
And finals are over now!!

Let's party till we can't take it anymore !!

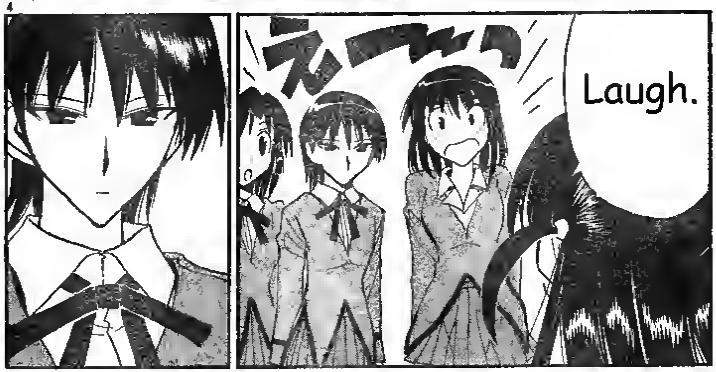
おおっ

Choose one person at a time and give them an order!
By the way, today Tenma-chan is the queen!
Then first is Eri-chan!
Uwaaa!!
Is it really ok?
Ehhhh !!
I can't
I can't
I can't
It's impossible!!!
Eat natto.
KYAAA !!
Heh heh it doesn't matter if you like it or hate it
It's good for your skin
Here is your meal!

Sagano's position exempts her from orders



4



Mikoto, older than Tenma by 4 months

She always so cold... I'm worried
So CUTE!
Kyaaa !!
?
Tsukamoto over here
Th-there's nothing I like or hate! Nothing you can do will break me!
Hm.... it's about time for Miko-chan's turn!!
5
4 guys and Akira-chan... let's let the mix game decide who you play with
AHHH! Why is it like this!!
4 guys?!
Miko-chan choose a number!
NO NO NO I WON'T DO IT!!
The Miko-chan who is more adultlike than me will play the pocky challenge game!
Hey!! Don't decide for me!!
お!?
I won't do it!
I guess we'll just go with #1

Too bad!!

Aww~ it broke!

It's close it's close!!

Uwaaa !!

Would you have done it?!

So close! Number 2 was Asou-kun!

I-I'm glad it was only Akira

Kyaaa!!

Don't get sick don't get sick!!

Huh?

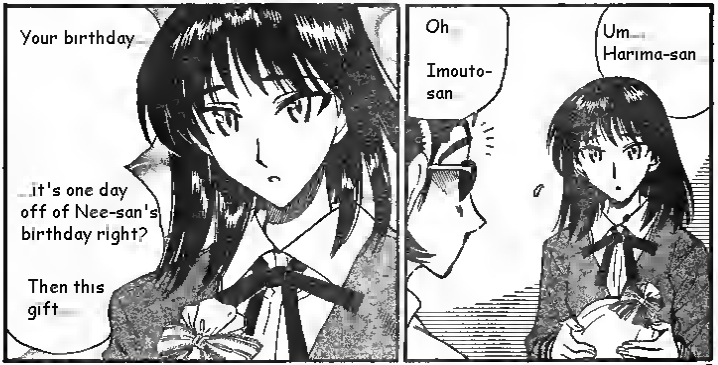
Karerin, this!

Hey...

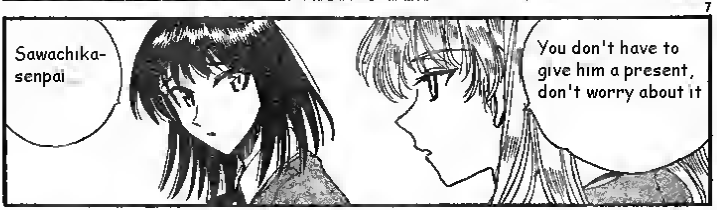
I knew Tenma -chan would make a fine queen!!

Sagano Megumi, gets along with Tenma so she can call her -chan

Ok!! Let's have Miko-chan take on the #2 person too!!
Don't mess around!! There are only guys left !!
!?
.....
ぼ!!



Your birthday
...it's one day off of Nee-san's birthday right?
Then this gift
Oh
Imouto-san
Um... Harima-san

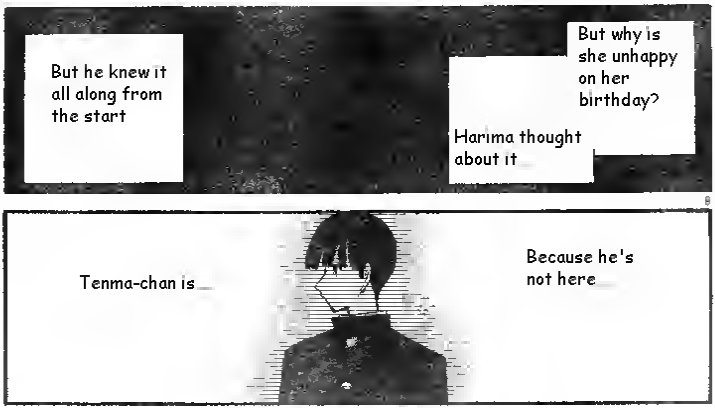


Sawachika-senpai
You don't have to give him a present, don't worry about it

Don't worry about it Imouto-san
.....?
Eh...
Tenma!! Don't run around !!
Don't you think he's already been thanked enough?
I don't plan to intrude but

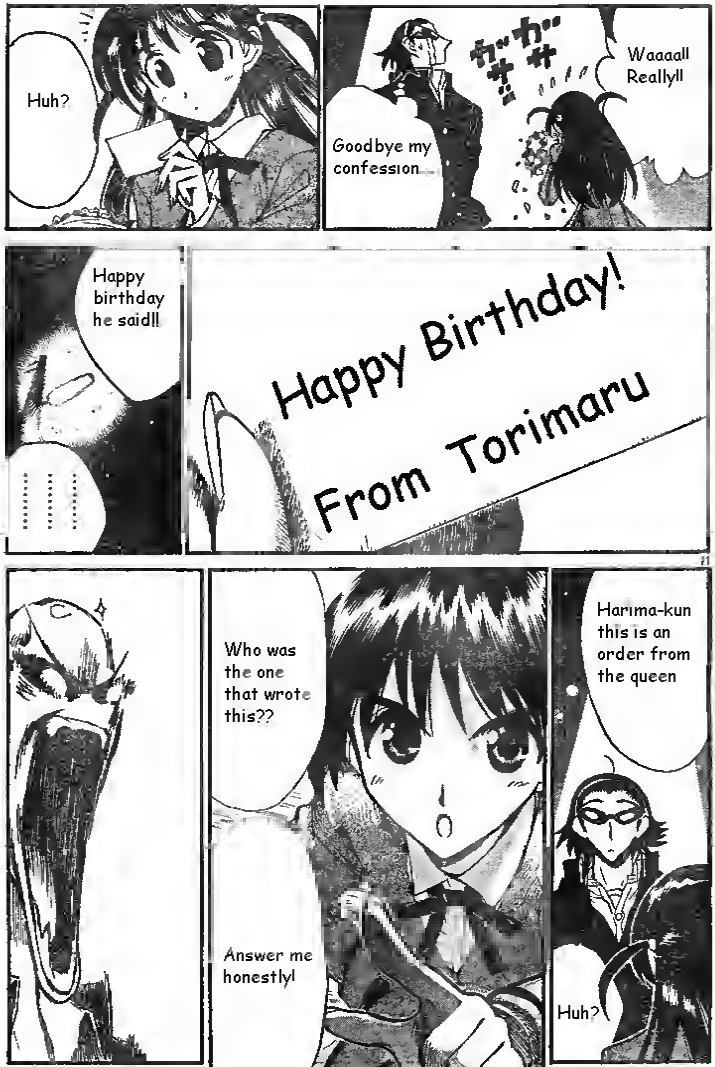
Yea... to be able to see Tenma-chan's smile is enough for me
I've already had enough
I'll give her these flowers and let her know how I feel
And afterwards...
...after the party I'll give her this bouquet
My...
My feelings...
but
looks a bit lonely...
But today... Nee-san

Became just like a child...



But he knew it all along from the start
But why is she unhappy on her birthday?
Harima thought about it...
Tenma-chan is...
Because he's not here...

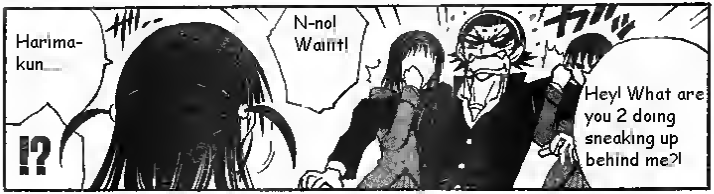
Asou!! Are you talking alone with Suou again!!
There's something he wants to give to you outside the store
Hmm? What is it Suga?
Hey Tsukamoto !!
Harima asked me to do something for him...
Harima is worried whether it really is ok to give this to her
You wanted to give me something?
A-ah! Tsukamoto!
She's quick!!
Heeey! Harima-kun!!
He should have given it to you himself though riiight?
He asked me to give this to you
Th-that Karasuma guy...
Ummm Errr... Ah...



The correct answer isn't "Torimaru" it's "Karasuma"

Note: The characters for Karasuma and Torimaru are very close

-and the night of the 17 year olds moves on...



12

Harima couldn't sleep that night as he thought about Tenma's smile and "thank you"
It seems I was able to get her spirits back up

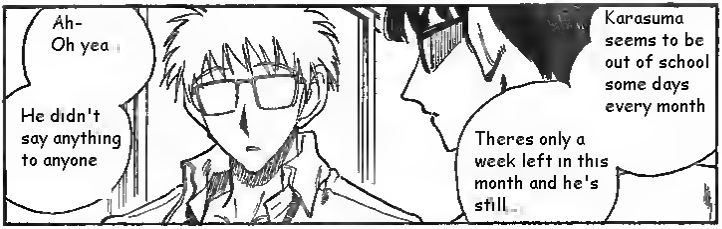
By the way what happened to Karasuma?
He ended up not comming to the tests
He won't be able to advance to the next grade at this rate

Translated by Townsocks

Hanai Haruki, a responsibility as a member of the class



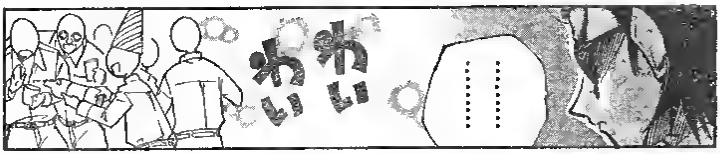
Karasuma seems to be out of school some days every month
Theres only a week left in this month and he's still...
Ah- Oh yea
He didn't say anything to anyone

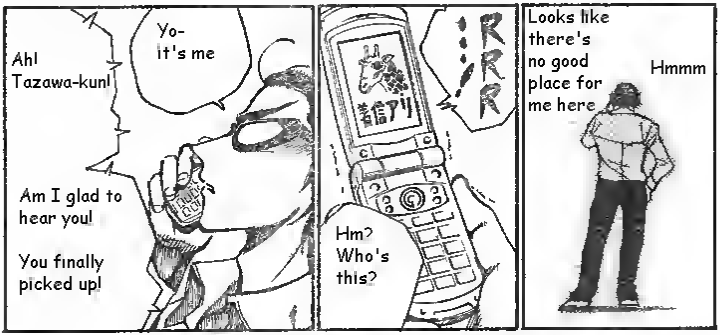
Yeal
He's out of school way too often
There are things you learn in class too though
Whatever reason he has for not comming to school is...

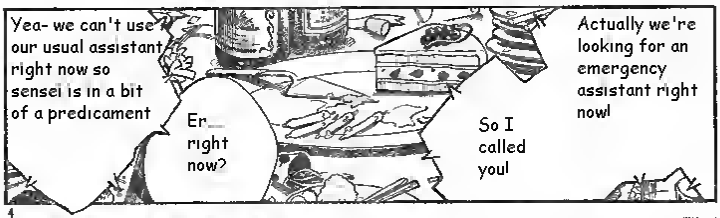
Karasuma Ooji, next year in March he is changing schools, confirmed

He goes to America every month ?!
That's what I wanted to know too
There's always some strange guys around
Just what is it that he does over there?
Maybe he's looking to transfer out of here?
Maybe... but it's his problem anyway, we shouldn't mess with it
Hey
Tsukamoto-san loves Karasuma-kun right?
Looking cooler and sounding cooler...
She's changed
Hey Megumi
Hm... well only Tsukamoto-san can say for sure
Still...
I think she looks a bit lonely
A birthday where the person she loves isn't here...

Harima, after returning home once, he was let back in

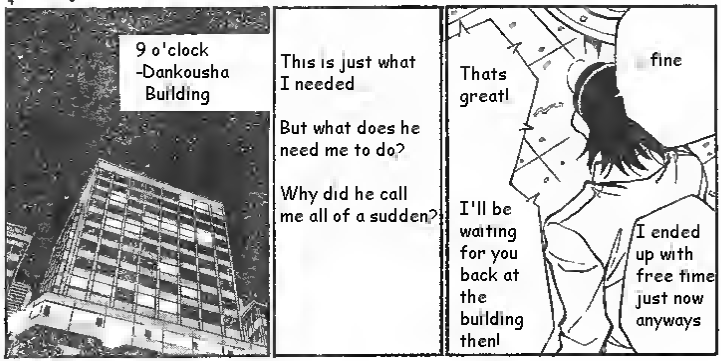






Yea- we can't use our usual assistant right now so sensei is in a bit of a predicament
Er__ right now?
So I called you!
Actually we're looking for an emergency assistant right now!

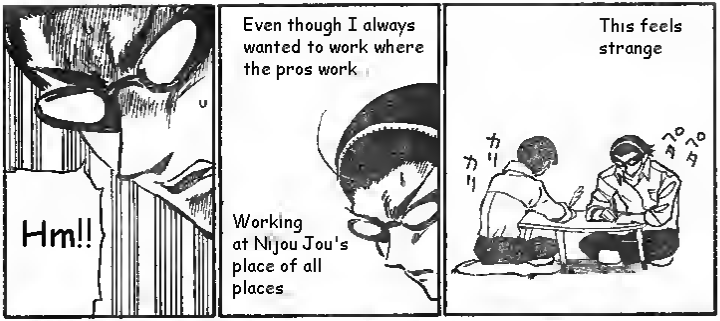
4



9 o'clock -Dankousha Building
This is just what I needed
But what does he need me to do?
Why did he call me all of a sudden?
Thats great!
I'll be waiting for you back at the building then!
fine
I ended up with free time just now anyways

Karasuma Ooji, Weekly Jingama pen name is Nijou Jou

Nijou Jou, his masterpiece is "Genroku Self Defense Force"



Hm!!
Even though I always wanted to work where the pros work
Working at Nijou Jou's place of all places
This feels strange
カリカリ

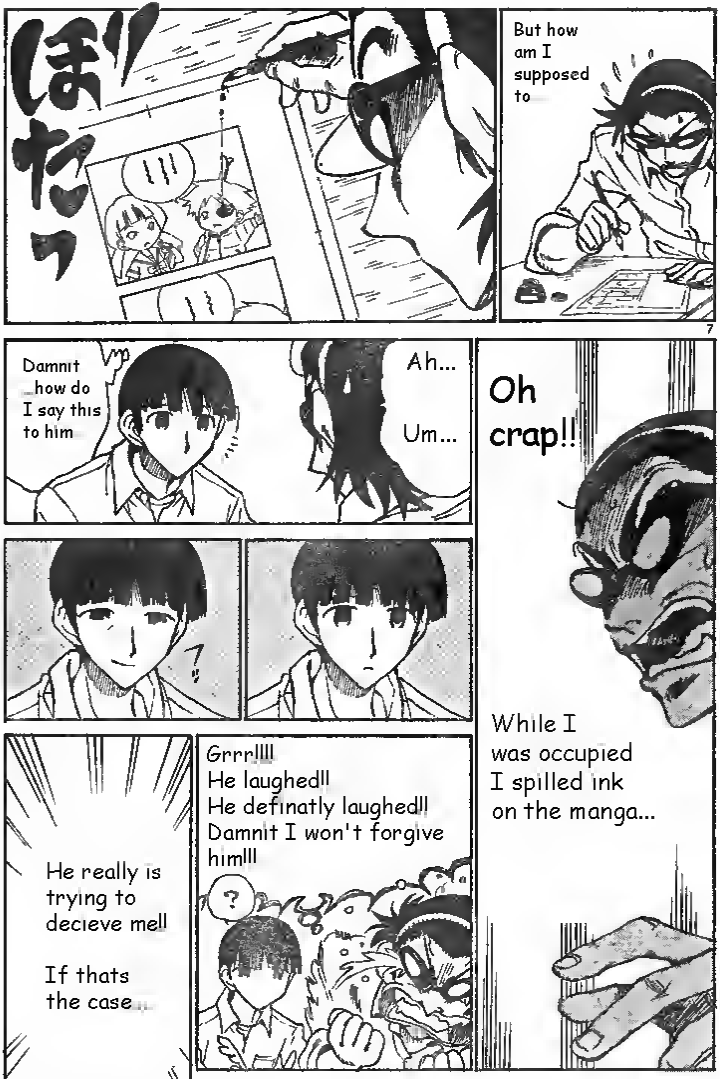
This guy's manga is supposed to be a drama set in old times ...what's with this?!
Its unfolding so strongly and but the other person is the one who is....
Love comic?!
I'm going to outer space
Whats unfolding is a....

He's playing dirty!!
I have to put a stop to this!!
Through this comic
If you got to outer space what would you do?
He's telling his feelings to Tenma-chan!?
Confessing would be nice I think
No! I'm wrong!!

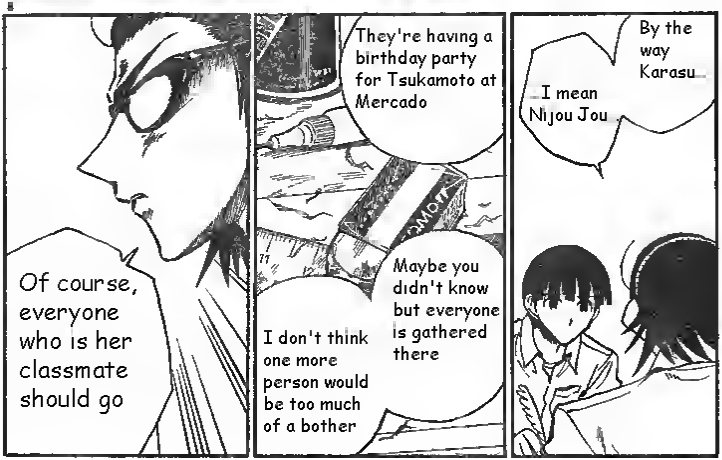


Harima, new guy at Dankousha has experience at prize-winning work

I'm going to outer space
カキ
カキ

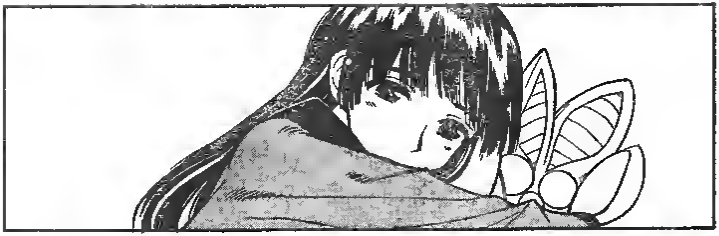
Ok...ll
"*I*" would be perfect vocabulary for this!!

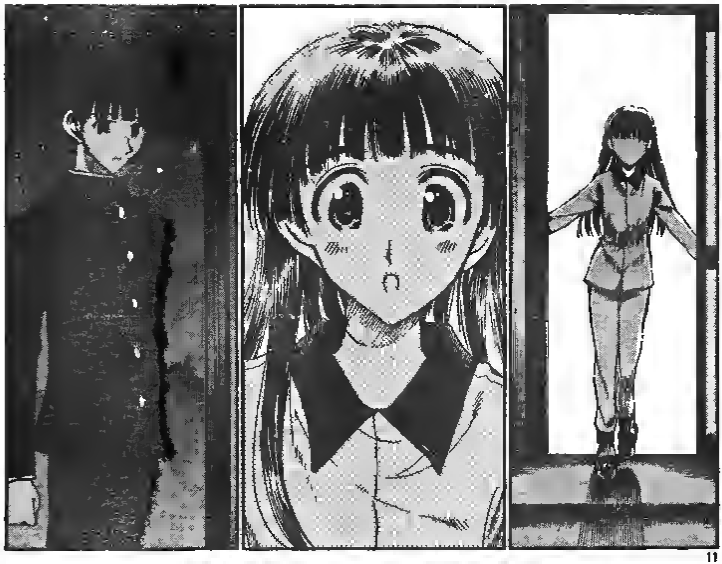
Wait... won't it be weird if the only place with sunglasses and this language is here?

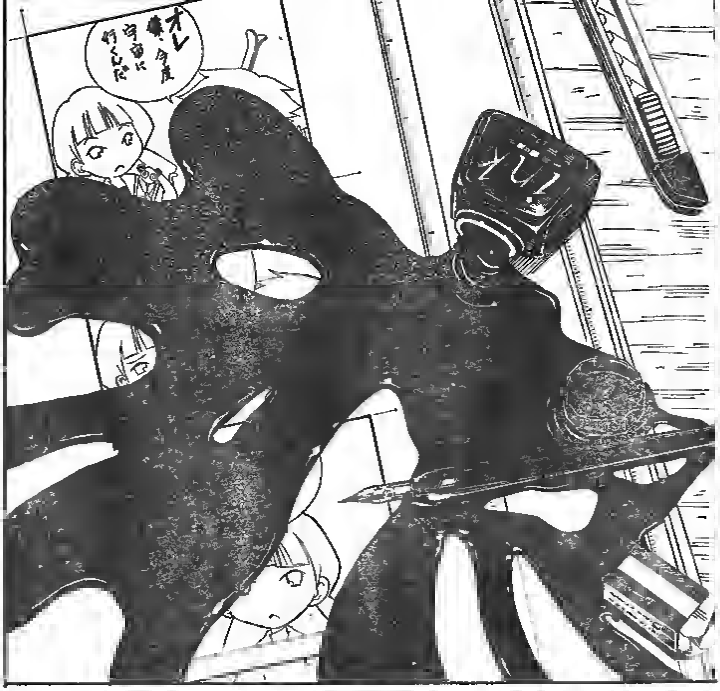


Of course, everyone who is her classmate should go
I don't think one more person would be too much of a bother
Maybe you didn't know but everyone is gathered there
They're having a birthday party for Tsukamoto at Mercado
By the way Karasu... I mean Nijou Jou

*click
Huh? Nijou-sensei?
*click
Yea...
カリカリ
Tazawa-kun just left... are you going to be ok?
Ok...
ハタン
Well ok then do your best and finish up ok
9
But I can't go back yet! I'll write everything the hero does!! Serves you right Karasuma!!
カキカキ
Its time for me to rub some salt on his wound
I'm not done yet...







At this time, what kind of work?

小林尽

sorry to keep you waiting

What's wrong all of a sudden?

Harima-san

ガチャ

Ah...

Ummm... what are you...

Well... for now show me the manuscript

but you didn't notice that this was the 26th floor and now you're at the end of your w ts

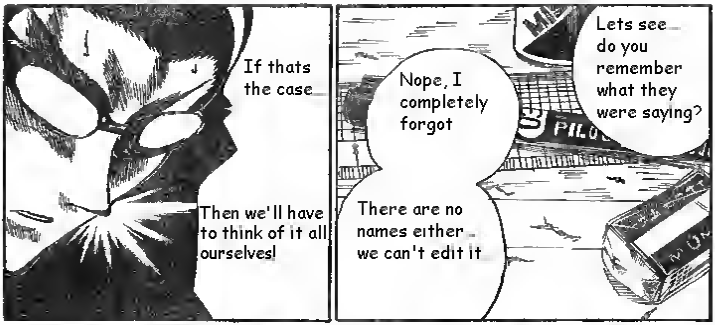
And you thought that the only th ng you could do was to t e the curtain around you and go out the window

So you sp lled the ink?

Please save me Imouto-san!!

...

Translated by Townsocks

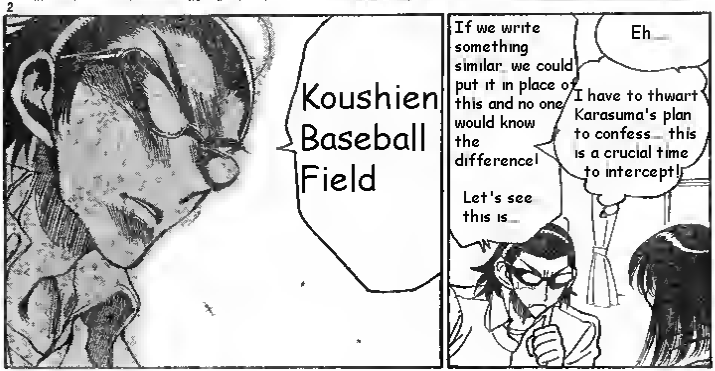


Lets see... do you remember what they were saying?
Nope, I completely forgot
There are no names either... we can't edit it
If thats the case...
Then we'll have to think of it all ourselves!

But...
How do we do that?
Don't worry Imouto-san!
I'm a pro at figuring stuff like this out!

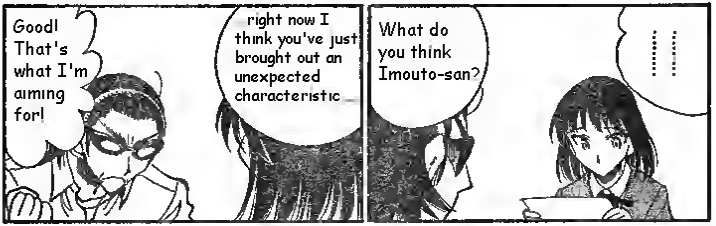
Well then, let's continue this love story- we have to make them get along more...
No! We can't do that!!

2



Koushien Baseball Field
Eh...
I have to thwart Karasuma's plan to confess... this is a crucial time to intercept!
If we write something similar... we could put it in place of this and no one would know the difference!
Let's see this is...

Wow!
I'm gonna aim for Koushien Field!!



Good! That's what I'm aiming for!
right now I think you've just brought out an unexpected characteristic...
What do you think Imouto-san?
.....

He gets strong when he's mad
No, that's not needed
It's a manga rule
Then... they should have a hard practice next... right?

Uwaa?!
Well it's about time for Koshien!!
野球
Leave it to me! Actually, I've already thought about it!!
Then... let's continue

Yakumo, if you want to pull out, the time is now

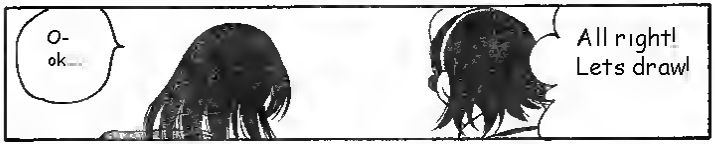
He should say something like "bring it!!" or something like that
Energy...?
And after that, the pitcher here will gather his energy...

They want to destroy the world
And the remaining nine are under his command
Oh...
This referee is the devil
We have to set up a standard somewhere along the way

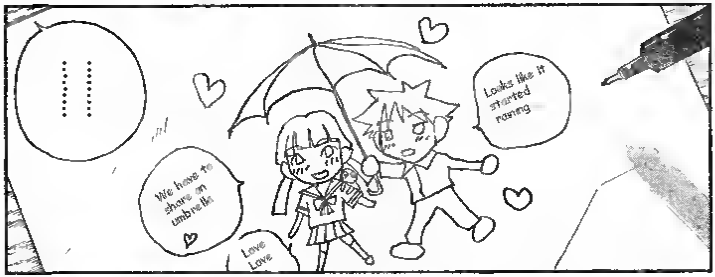
Then where is the basis?

Of course, the next thing should be...
what happens next...?
Hmm... I don't know!!
Why destroy?
Um...
What do you think Imouto-san?
Something sexy
I'm really bad at it but there's no mistake that it's the popular thing to do now!!
Eh...
But... I don't know what I should write
Eh...
Oh! You've got one ?!
Um... well...
Imouto-san, you have any good ideas?
Eh ?!
Um...

But... here he's decided to courageously...
Nice one Imouto-san!
Eh...
Hmm !?
That's a little too much isn't it?
Umm...
Oh...?

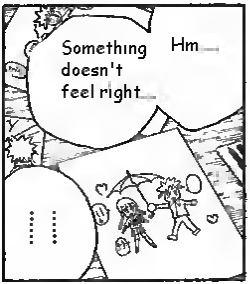


O-ok...
All right! Lets draw!



.....
We have to share an umbrella
Looks like it started raining...
Love Love

Hmmm... I got it!
I read something like this before in a manga somewhere!!

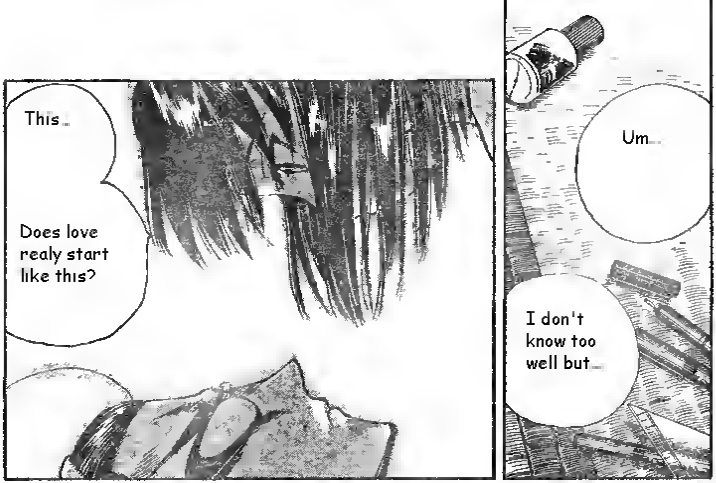


Something doesn't feel right...
Hm...
.....

Carelessly... the devil is also careless
Oh...
The hero has carelessly fallen
Somehow the person he was with was pushed over
This will work!
This definatly works!
B-but is it really ok?
.....!
Yea- just like this!!
Eh...
But for that I need...
Hm... I should be ok if I practice the form
sure
You're a lifesaver Imouto-san!!
Ah...
Um...
I need you to do it for me Imouto-san!
.....
7

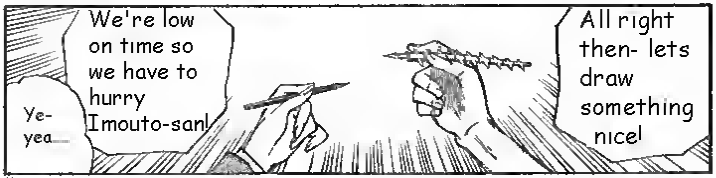
...underneath huh.....

トクン
トクン
トクン
……
"I love you"
Hmmmm
Something about this is wrong too
What do you think?
Imouto-san



This...
Does love realy start like this?
Um...
I don't know too well but...

I guess I was wrong to borrow someone else's idea...
Yea...
I guess you're right...it's probably a bit different. I really couldn't understand or draw all by myself

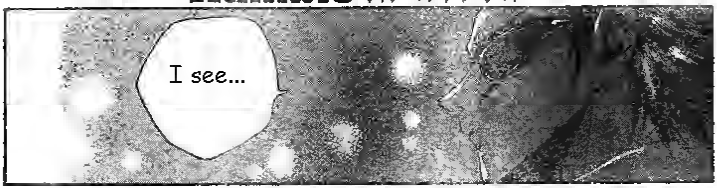


We're low on time so we have to hurry Imouto-san!
Ye-yea...
All right then- lets draw something nice!

ばばばばば
This one fuller!!
Ok
#61 please!
What number is this?
Ok
Imouto-san make this better please!

He didn't notice that Nijou's work was taken over in his absence

Did Karasuma make it to Tsukamoto's party?
by the way Imouto-san
Still, we totally forgot what we were trying to do in the first place
Hey it's not your fault
I'm sorry I'm sorry
I was the one that spilled the ink
Um he came right after the party
but why do you know about that?



He put it in...

Ohhh!
Well said Takano!!
I'll give you two autographs!!
Huh?
Me?
My heart is ready for it...!!
Tell me what you think!!
It's fine isn't it?
A manga is like a dream so it would make sense to have lines like "It would be great if it were like this..." wouldn't it?
Wooooooo!! This is the blessing of the writer!!
You were right about me after all Tenma-chan!!

Harima Kenji, all for this moment...

Jingama Editor Mitsui, easily forgetable name type

I knew right from the start that you would do well here!!
That manuscript of yours was really interesting!!

But now comes the hard part Tazawa-kun!
Oh thats right, we should go introduce the editor to you

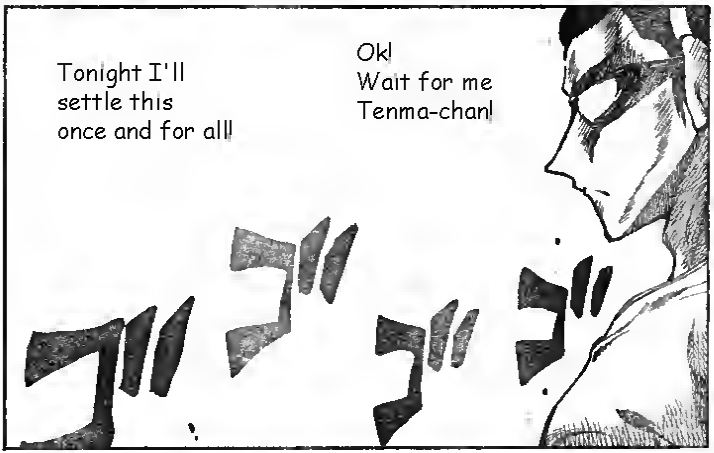
...now one last thing!!

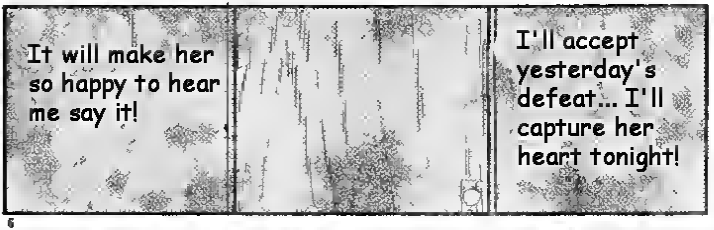
Note: Tenma is also a high school student right now

Harima, fights with a man's instinct

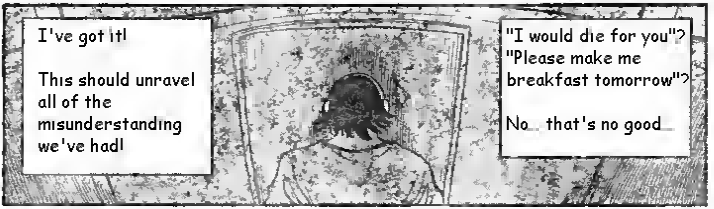
Think about what you did!
Wha- why?!
Huh.....?
Hmph! You still won't talk !?
I can't think of anything
I...
E-evidence?!
You're under arrest due to evidence!
I could just say it but it's too awful Harima-kun!
5
Wait. At times like this I have to calm down and put it in order
Tenma loves me -->
She was waiting for me to confess -->
I mistakenly went to Imouto-san's room -->
Thats why shes mad!!
And she used her girl powers to convince Yakumo too!
We got along so well last night!!
What happened?
Yakumo you're in too much danger now
Its not safe!
Nee-san I don't know what happened but don't you think you're being a bit



Tonight I'll settle this once and for all!
Ok! Wait for me Tenma-chan!



It will make her so happy to hear me say it!
I'll accept yesterday's defeat... I'll capture her heart tonight!



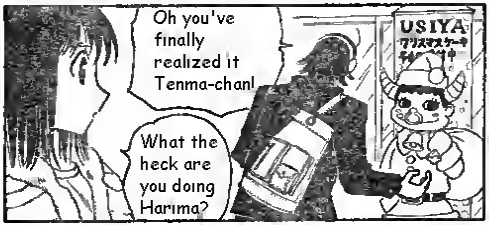
I've got it!
This should unravel all of the misunderstanding we've had!
"I would die for you"? "Please make me breakfast tomorrow"?
No... that's no good...

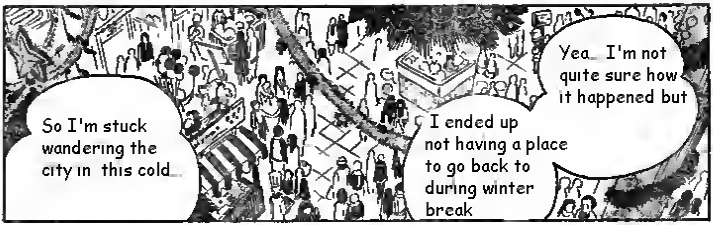
...anyways, I gave him a good talking to - that should be enough
Harima-kun... I just don't know what I'm going to do with you!!
*knock *knock
This time it's your turn!!

Harima, at the end of 2 days

Get out NOW!!
Unforgivable !!
I told you to stay away from Yakumo
So this time it was me !?
I've seen enough !!
Tsukamoto, from the beginning you're the one that I
ヒュ〜!!
Tenma-chan...
Uwaaaa... I can't go on like this...
What do I do now?
Tenma-chan... my manga... it's all been washed away...

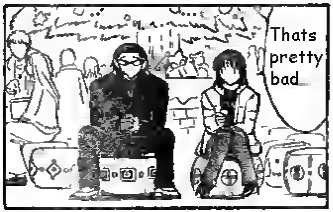
Partly an exaggeration on Harima's part





So I'm stuck wandering the city in this cold...
Yea... I'm not quite sure how it happened but I ended up not having a place to go back to during winter break

So warm...



Thats pretty bad...

Actually it's Hanai's place though
But no one will go to the dojo and you'll have some freedom

Hey
Huh?
Why don't you come to my place?

Don't catch a cold ok?

I see...
Well see you later then

But you don't have a place to go back to right?
No thanks, you've already done more than enough for me
I'll find some place to sleep
Thanks for the coffee

If Tenma threw it away, then the one who would pick it up is...

Harima, is this a new chapter in his freeloading story!?

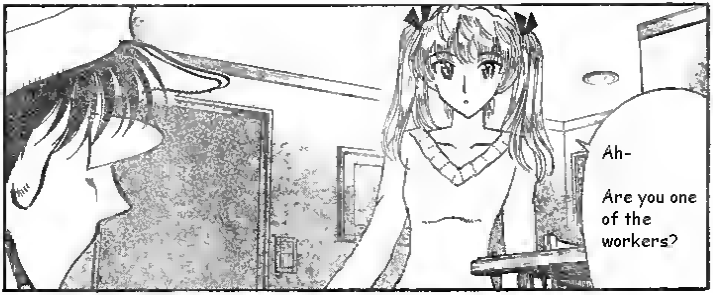
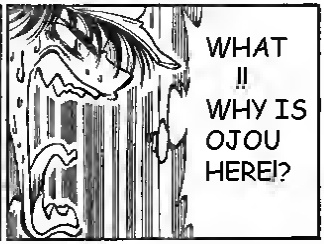
I guess I should go get something at Suou's place
I'm kinda hungry...
*grumble
She said not to wear the sunglasses too
I'm not used to seeing like this
Thats what Suou said anyways...
I should be able to move freely if I wear these work clothes
Woah!
There's udon here!
Lets see...
Which way is the kitchen...?
2
Crap!
Is it Suou's family?
Gah!
Is there someone here?
The food at Tenma-chan's place...
It was so good...

Harima Kenji, wearing a construction uniform from Suou



Ah-
Are you one of the workers?

Could it be that she doesn't realize that it's me?
Wait!

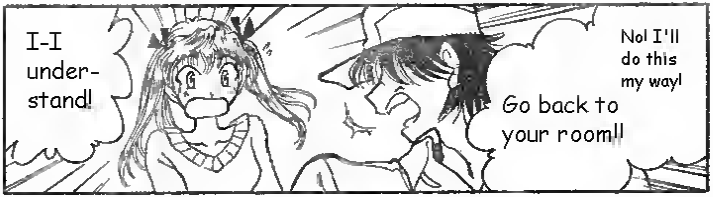


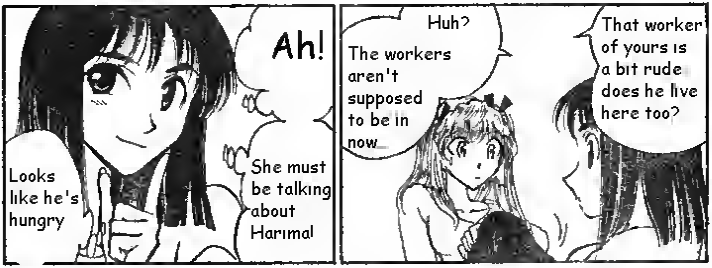
WHAT !! WHY IS OJOU HERE!?

I don't want to have anything do with her!!
I'll pretend to be someone else!!
If thats the case
Um Mikoto-san asked for some coffee so

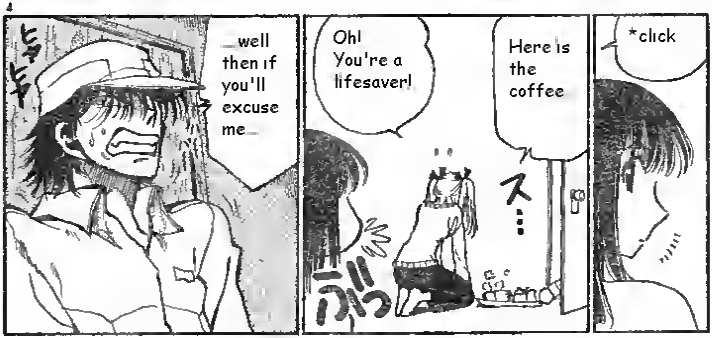
Actually she would appreciate it about now
No, go ahead and get some
Er no I'll
Oh- I've already made some coffee so don't worry about it

Surprisingly he won't come out

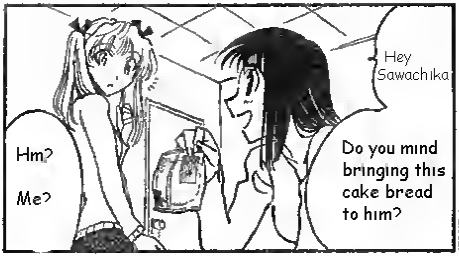


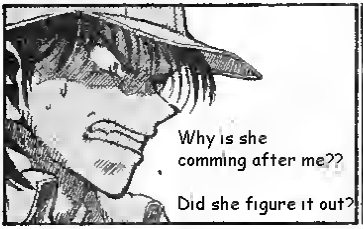


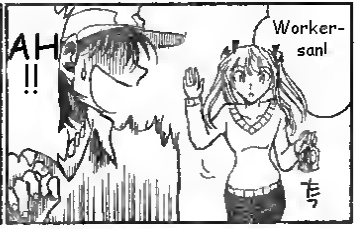
Ah!
Looks like he's hungry
She must be talking about Harima!
Huh?
The workers aren't supposed to be in now
That worker of yours is a bit rude does he live here too?

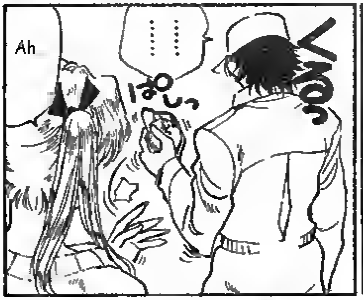


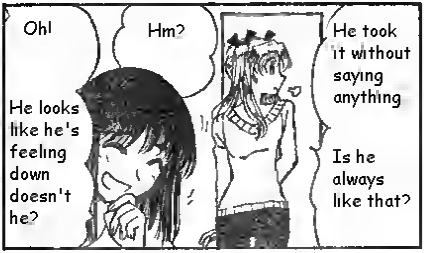
Inside, Mikoto made her do it

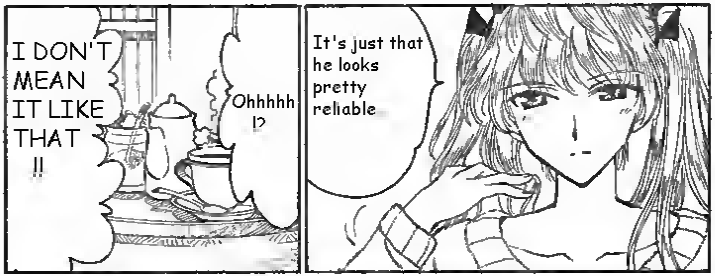


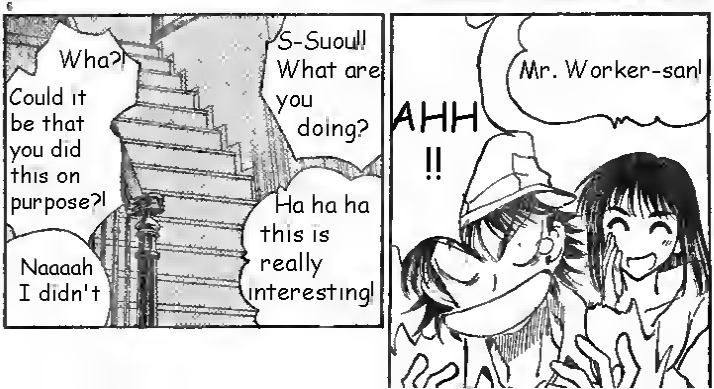










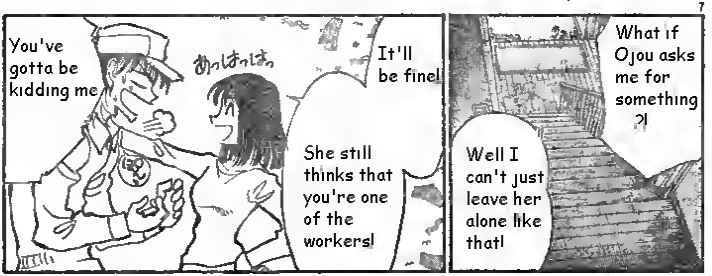


Wha?!
Could it be that you did this on purpose?!
Naaaah I didn't
S-Suou!! What are you doing?
Ha ha ha this is really interesting!
Mr. Worker-san!
AHH !!

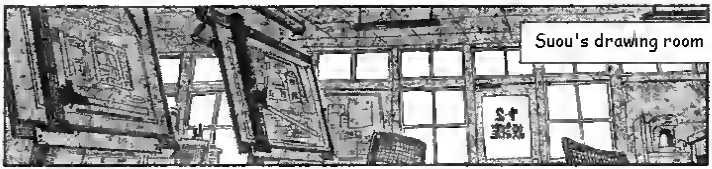
...well, where are you going?

Suou Mikoto, there are a lot of things she is gentle with

It looks like she doesn't know that it's you- you should be satasfied!
It's fine for girls to sleep over at each other's places
Shut up!
Why is Ojou at your house?
...and why didn't you tell me?



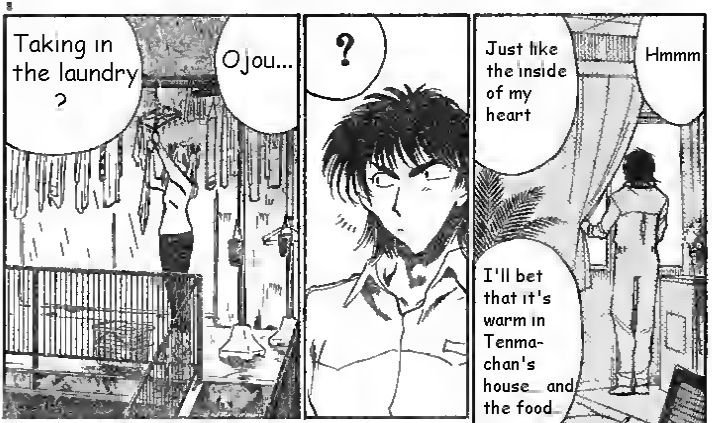
You've gotta be kidding me
あっはっは。
It'll be fine!
She still thinks that you're one of the workers!
What if Ojou asks me for something ?!
Well I can't just leave her alone like that!



Suou's drawing room

Hm?
At this rate my name will
Bah! Another miss!
Damnit!
Grrrr ....
I'm back at Hanai's dojo...

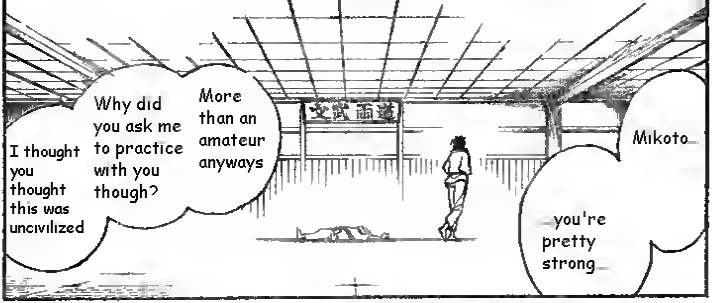
Rain huh



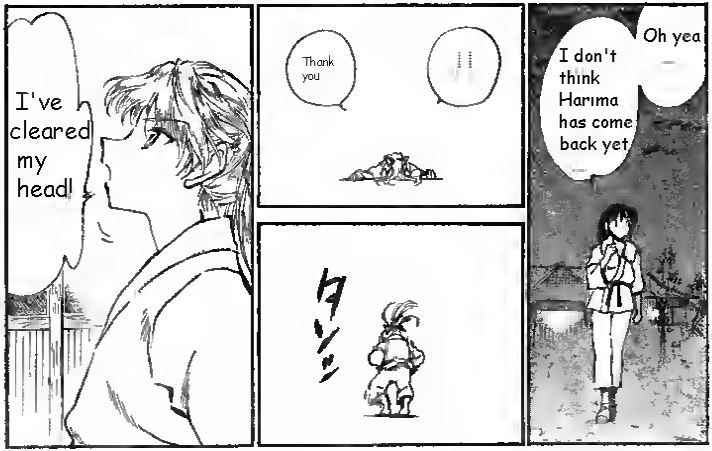
Taking in the laundry ?
Ojou...
?
Just like the inside of my heart
Hmmm
I'll bet that it's warm in Tenma-chan's house and the food

Harima Kenji, a little bit nice

Midnight at Hanai's Dojo



Mikoto...
you're pretty strong...
More than an amateur anyways
Why did you ask me to practice with you though?
I thought you thought this was uncivilized



Today, this also isn't bad

Mikoto is out, just to make sure

What the?!
Since when was this a mixed bath?
What the hell are those two doing?
Are they stupid or something?
Could you teach me again some other time?
Still, I was able to clear my mind thanks to you
Are you listening Mikoto?
.....

It's not the sound of a jet just to make sure
Anyways... at this rate she's definatly going to discover me...
If thats the case then I have to...
Hey Mikoto
How's it going with you and Asou-kun right now?
Grrrrr...!
Why is this stupid girl mistaking me for Suou?
She should've noticed when she got in!!
This is bad!! If she figures it all out then I'll be kicked out!!
I finally found a place to stay too!!

Who- who's that?
Huh?
What are you talking about? The Asou-kun from the basketball team that you've been getting along with
Oh...
Him...
I don't know him too well
I'm not really interested in him
すざっ
Is
Is that right
This is going pretty well
I guess I m pretty good at this
カンッ

*This *Is *A *Bit *Impossible

and your body looks kind of muscular
It looks different from when you were in the dojo...
Hey... why does your voice sound so weird?

Looks like she's doing it
Also I have a bit of a cold
Because of all the workout I've gotten some muscle
It must be troublesome
No no thats not it...

Wha !?
By the way Sawachika, have you confessed to Harima yet?
ぼしゃっ
Wh-whats with this all of a sudden?
Why would I confess to that idiot?
Suou what the hell are you doing?!
But... there are so many couples out during Christmas...
I saw him in the city yesterday
He was there looking hungry
I'd hate to be h m
Madoka and Umezu-kun...
Nagayama and Tanaka-kun...
You and Asou...

Suou Mikoto, the type of person who borrows and returns people's closeness

I want to get out....
Fine fine
Well then...
What are you going to do Sawachika?
I...
I have to get married...

It was my parent's suggestion that I get an arranged marriage
He-heyll
Are you sure about this?
What ...?
Of course you're going to refuse right?
No thats not it
I'll do what I feel like doing
...or... were you... not planning to refuse?
This is bad! I can't talk to her if they're that close!
UWAAA! H-heyll Wait!! At this distance...
I guess I'll jump in too
In any case, I have to get out of here!!
ぱしゃ ぱしゃ!

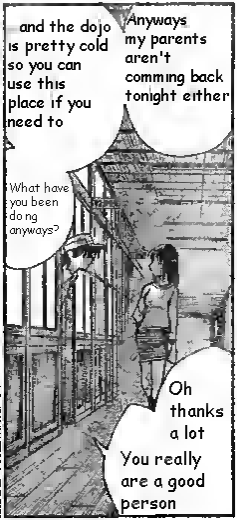
Bus gas explosion

Surprisingly, Suou was also able to see him

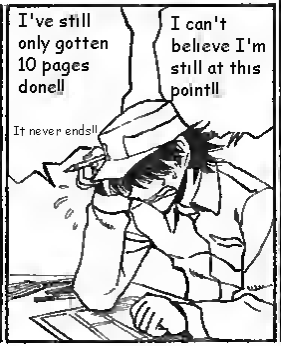
Anyways, Sawachika has an arranged marriage
I though she looked kind of weird when she got here
It was the towel! It was the towel!!
Thats not what Sawachika will think!
She'll think it was me!!
Hey stop! It couldn't be helped
What do you mean 'It couldn't be helped' ?!

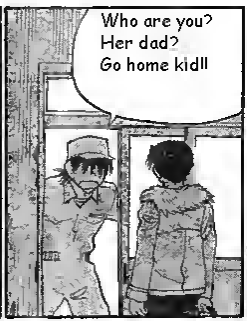
Thats got nothing to do with me
Well if thats how she wants it
Hah
Getting married while still a student-thats how rich people think

Oh, is that right....?



Anyways my parents aren't comming back tonight either
and the dojo is pretty cold so you can use this place if you need to
What have you been doing anyways?
Oh thanks a lot
You really are a good person





*Ding
*Dong
Damnit - again?!
This guy's persistant!
Right when I get busy too!
I said shut up!!!
Did Ojou-sama happen to come here by any chance?
Excuse me, I'm the butler for the Sawachika household
Hey
Whats with the nose plugs?

It's rude dear

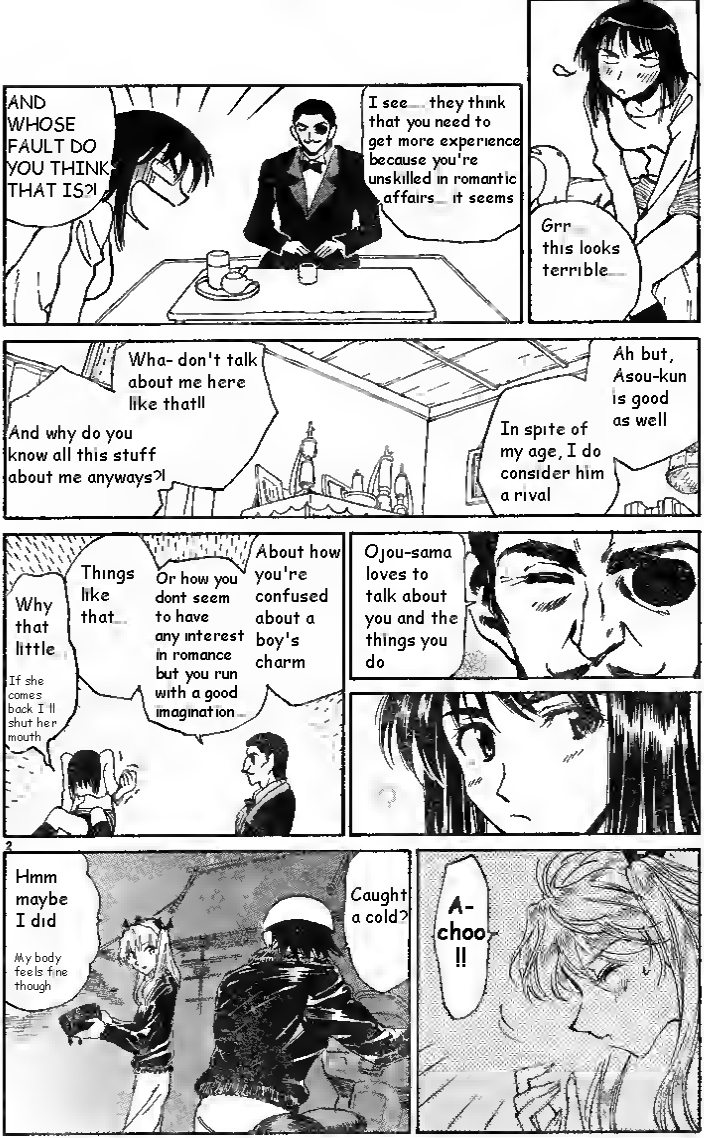
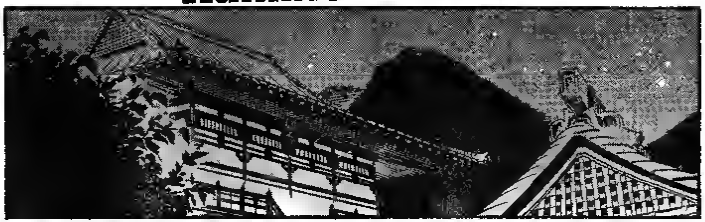
We admire high school students like you ASOU-KUN
Thanks for comming all this way to bring the stuff we forgot ASOU-KUN
Anyways, you're more adult-like than we imagined ASOU-KUN

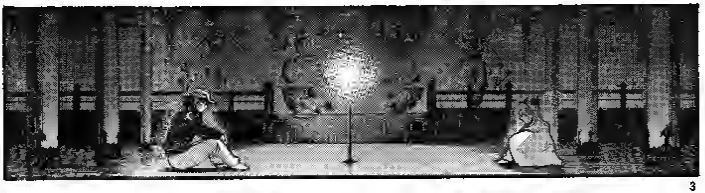
Translated by Townsocks



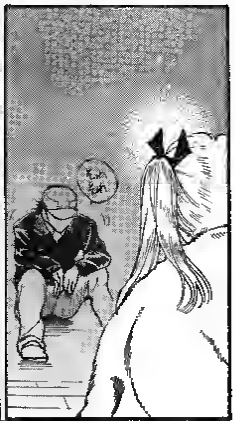
Suou Mikoto, it seems as though hes a friend of hers
AND WHOSE FAULT DO YOU THINK THAT IS?!
I see... they think that you need to get more experience because you're unskilled in romantic affairs... it seems
Grr... this looks terrible...
Wha- don't talk about me here like that!!
And why do you know all this stuff about me anyways?!
Ah but, Asou-kun is good as well
In spite of my age, I do consider him a rival
Why that little...
If she comes back I'll shut her mouth
Things like that...
Or how you dont seem to have any interest in romance but you run with a good imagination...
About how you're confused about a boy's charm
Ojou-sama loves to talk about you and the things you do
2
Hmm maybe I did
My body feels fine though
Caught a cold?
A-choo !!

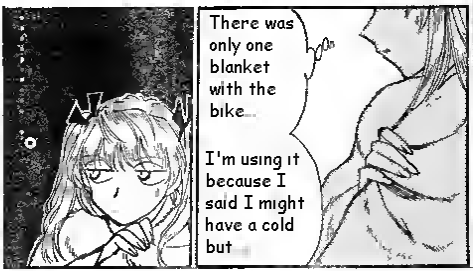
Whats this? A temple of kindness





I'll do this only as long as Tenma is at stake
Some guy must've fallen for her cuteness or something
Stupid adults bringing their dirty politics into kid's lives...
We don't have to stand or even say anything
I don't know much about arranged marriages but





Could we both use the blanket?
Thats so embarassing!!
Wh-what should I do~__?
But at this rate he's going to catch a cold
What the hell is she doing? Why is she fidgeting like that?
Could it be that she
4
You piss me off !!
Thats the kind of girl I hate the most!!
That can't be!! What a huge ego she has!
She thinks shes so cute... She must be in love with herself or something
Does she think that I'm going to move in on her?

For now I should at least start a conversation
Then we could share the blanket...
Hm? It was yester... I mean it was last year
Um... worker-san how long have you been working for Mikoto?
You're pretty young... are you a college student?
Do you have a girlfriend?
Huh?
I don't but...
Oh?
Thats such a waste!
Eh?
Sorry about asking that all of a sudden
No... it's fine...
Wh-whats THIS?
Her character is completely different!!
She would usually yell at me !!
Is she comming on to me or something?

And the the mistaken Tenma is being followed

What should I do...
I can't just tell her about Tenma-chan or my manga...
Eh...
Er... what is it that you want to do in the future?
Oh... uhh...
I just want to stay here and watch out for Suou
In any case there's a job I'm trying to finish. I want to complete my 120 page manuscript
I think that was pretty well done!
Was I ?
Then back there...
Was I getting in the way of your work?
Well... thats close...
You must be a designer?
There's a project you're doing?
6
Huh?
Nothing
Just like now

And Harima is writing a manuscript now... well he should be anyways

Yes
I am strong
you're pretty strong
But I won't lose!
What do I have to do to be able to fight the world?
What do I do to become strong?
Do I have to act more like an adult?
Do I have to behave like a guy?
This person...
...is so different from me...
...is actually really tiring
Going around like this...
I can get through it all
But...
I don't think about things that can't be helped
If anyone gets in my way I'll defeat them with these five fingers!

It's the first time she saw him smile

...and still smile in spite of it all

Amazing!!

Wha-what I am I doing answering her seriously anyways?

Huh?

すっ

Wha-

Hey!

Blanket

もぞ!! もぞ!!

Gwah !!

EH
Eh?
Um...
You might catch a cold...
Her personality is too different!
Wha-what's with this girl?
Actually I was feeling kinda depressed
Eh?
But thanks to you my motivation has come back!
Do you mind if I ask you a favor?
Umm could it be that...
...you don't want it?
Huh?!
Er... I don't really mind...

She did her best... it seems

Could you...

Come with me to the arranged marriage

.....

Huh?

I know that it must be stressing for you to do this kind of thing for me but...

...please...

Of course!!

We'll break it!

Break!

We'll make your opponent in this arranged marriage give up!

.....

O-oh!!

This girl...

.....

Thank you
Its fine with me
Hm
What the heck am I doing
Aye
11
Shes asleep...
To say what she wanted and then to go off like that... she really is just a rich girl
Hmph
It was just for a moment but
I thought that she was a good person
For a rich girl like you to say something like that
It was just a moment though
Shes defense-less right now
I'm not interested though

Have you ever refused anyone?
You're a sister right?

I do but I still can't be honest with myself!!

Just for today
If you just go back to her...
